My STARFLIGHT unit has been hoarding all of my school notes! How do I get them back?
You don't.

Sigh. The one draw back. Hmmmm... Maybe. It's either a SUNNY unit or a STARFLIGHT unit. Hmmm...

Hold on... (Yeah? Fine...) The cat says no.(Jealous? Yes, you are!)

Dear ghostlynx120,

Most likely, your PERIL unit has not encountered a CLAY unit, and is still fiercely loyal to the SCARLET unit. As stated in both the SCARLET unit and GLORY unit's user's guide and manuels, the two units are highly incompatible. The GLORY unit attempted to murder the SCARLET unit, and the PERIL unit reacted violently. Due to the loss of the SCARLET unit, your PERIL unit probably over-heated and accidentally melted herself. Replacement units are on their way!

Sincerily,
WoF Units Co.

==========

Dear silverwolf3754,

We sincerily apologies for the mistake. We are sending you the DRAGONETS OF DESTINY set now. Don't be surprised at your DEATHBRINGER unit's elusive behavior; he is either assassinating other units or sneaking out to meet with a GLORY unit. If you wish to stop this, threaten to tell a BATTLEWINNER and/or GREATNESS unit of his behavior.

Sincerily,
WoF Units Co.

=========

Dear bearbear4426,

Most likely, your BLISTER unit attemtped to steal the THORN unit's Eye of Onyx bonus accessory in order to become the queen of the SANDWING model line and was vaporized by it. We are sending you a replacement BLISTER unit now!

Sincerily,
WoF Units Co.

==========

Dear earlycrow44,

Your GLORY unit is attempting to to become the queen of the RAINWING model line in order to rescue the other RAINWING models kidnapped by the NIGHTWING models. The GLORY unit will continue attempt to usurp the FORMER RAINWING QUEENS set until she is successful. It is recommended to have a KINKAJOU unit, JAMBUU unit, TAMARIN unit, and MANGROVE unit assist her.

Sincerely,
WoF Units Co.

=========

Dear icewings 123,

There is a warning about the CLAY unit's gluttonous behavior in his user's guide and maneul. Refer to the manuel for instructions on what to do.

Sincerely,
WoF Units Co.

=========

Dear dragonwolf10563,

Please contact a specialist for instructions; your STARFLIGHT unit's concerning behavior could mean a variety of things, including his internal battery dying, a MORROWSEER unit secretly telling him how much of a disappointment he is to the NIGHTWING model line, or being rejected by a SUNNY unit.

Sincerely,
WoF Units Co.

==========

Dear earlycrow44,

As mention in her user's guide and manuel, the DAZZLING unit has a large appetite. We have included a coupon for Dairy Queen's to satisfy your need for a smoothie. As for your EXQUISITE unit, try giving her a few SLOTH models, but make sure none of them are the SILVER unit.

Sincerely,
WoF Units Co.

=========

Dear mistangel173,

Make yourself as unappealing as possible and point your WHIRLPOOL unit in the direction of your sister. She will gladly take him off your hands.

Sincerely,
WoF Units Co.

=========

Dear fearlesscat222,

Our current units available from the ANIMUS model line are:
-ANEMONE unit

-STONEMOVER unit
CUSTOM MODEL units are available to order at any time! Please fill out the form on our website to place the order. Production and delivery takes 2--5 weeks.

Sincerely,
WoF Units Co.

==========

Dear kittendragon57,

Have the rest of the JADE WINGLET set stay close to your KINKAJOU unit. Consider confiscating your MYSTERIOUS NIGHTWING unit's bonus Animus Scroll accessory if his violent behavior persists. If your KINKAJOU unit is badly injured, take her to the nearest MAYFLY unit.

Sincerely,
WoF Units Co.

==========

Dear fairyjade254,

Your SORA unit and TURTLE unit have most likely suffered from some kind of internal malfunction. Take them to the nearest MAYFLY unit as soon as possible to assess the damage.

Sincerely,
WoF Units Co.

=========

Dear everyone else,

Thank your for ordering from WoF Units Co.! Your units are on their way!

Sincerely,
WoF Units Co.

Dear hydrahoneydew9,

Advise your PERIL unit on how to properly care for her new STARFLIGHT unit. You or someone else may have to read the STARFLIGHT unit's user's guide and manual for her, as she can't pick it up and read it on her own.
Also, please provide your TURTLE unit with a box of tissues.

Sincerely,
WoF Units Co.

==========

Dear sapphirewolf1624,

We are sending replacements now.
We think that your SCARLET unit forced your other units to fight in a gladiator arena. Your GLORY unit attacked your SCARLET unit out of rage/protectiveness for the TSUNAMI unit, and is the sole survivor of the ensued battle.

Sincerely,
WoF Units Co.

==========

Dear sapphirewolf1624,

Your SUNNY unit has deactivated herself out of depression. After she wakes back up, she may attempt to murder the FATESPEAKER unit.

Sincerely,
WoF Units Co.

=========

Dear emeraldangel802,

We suggest you give your units time to sort out their feelings for eachother. Have a MOONWATCHER unit speak to them seperately.

Sincerely,
WoF Units Co.

==========

Dear grayelf106,

Your MOONWATCHER unit and WINTER unit have fallen in love. As for eating less, your MOONWATCHER is probably sick. Take her to the nearest MAYFLY unit.

Sincerely,
WoF Units Co.

==========

Dear bearbear4426,

Your MAGNIFICENT unit was probably forcing your SILVER unit to watch bad soap-operas with her. Your SILVER unit is seeking out the nearest GLORY unit. For his own personal health and safety, do not try to stop him.

Sincerely,
WoF Units CO.

==========

Dear dragoncat2147,

Your STARFLIGHT unit has probably become fascinated by bats and is attempting to mimic their behavior to infiltrate their ranks.

Sincerely,
WoF Units Co.

==========

Dear blacktiger1819,

Why not talk to *both* of them?
Also, the only way to get a DEATHBRINGER unit to cease his behavior is to have a GLORY unit tell him to stop.

Sincerely,
WoF Units Co.

==========

Dear rainwings148,

Admonish your GLORY unit for her violent behavior. After making sure she knows what she did was wrong, join her in celebration by throwing a grand banquet.

Sincerely,
WoF Units Co.

==========

Dear cobraghost329,

You will have to provide us with more details as to what you would like your CUSTOM DRAGON unit to be like. Depending on the information provided, manufacturing and delivery can take 2--7 months.

Sincerely,
WoF Units Co.

==========

Dear cobraghost 329,

Place an order for a STARSPEAKER DRAGONET unit immediately. Also, ask your parents or a MAYFLY unit what happened.
